Continuing our series of illustrations of film directors, Alex recently completed this rather lovely portrait of Mr. Tim Burton. Click for a larger version.

While in a wintry mood, Sam created this little chilly number. Click for a larger version.

(WITH TEETH)

Well how are you? Good we hope. Welcome to the first ever (insert improv drum roll here) Kookie Monsters PDF newsletter. And our first official newsletter of 2007. Roar!

As you might expect, this is where we'll be able to keep you up to date on all things Kookie, whether it's work we've just completed, or events that we've got coming up. We don't know what the collective noun for monsters is, but may we suggest a 'lurch'.

On this front page you'll find details of our latest projects, which we hope you'll enjoy discovering. On our second page, you'll find some work from the sketchbook, and a sneak preview of an animation we've been working on lately.

So, here's to many more newsletters, but let us know what you think!
